2009 Trevor Win'E Memorial Day CrossFit Challenge and Fundraiser

This event is a one day world wide event to support out military service men and women who are in harms way everyday. We are collecting money to show support by purchasing special cooling vests for our heros in the deserts far, far from home. If desired,, a specific person or team may be designated for sponsorship below. Alternatively, any undesignated sponsorship will be used to sponsor an active duty Military Team who will compete in the event, thus reducing or eliminating their cost of competing while buying a vest!!

NOTE: **100%** of donations are used to buy and ship vests to our troops. All fundraising efforts and costs are donated by participants and sponsors. The Trevor Win'E Memorial Fun is a ***zero%*** overhead fund.

$50 = 1/4 vest donated
$100 = 1/2 vest
